

Can you help Clarabelle find all the Christmas decorations?

There are 10 Christmas baubles hiding in this picture – can you find them?

Here are some clues:

- Can you see Clarabelle the calf? Can you find her bauble?
- Can you see the 5 puffins on the cliff? They've fluffed up their feathers and snuggled together. Can you find their bauble?
- Can you see the family of 5 foxes? 2 of the fox cubs are playing with baubles. Can you find them?
- The flock of 5 sheep are near the farm and look warm with their fluffed up fleeces. Can you find their bauble?
- Flo the flamingo is wrapped in Clarabelle's scarf. Can you see her bauble?
- Can you see Erica's 3 chicks – which one is holding a bauble?
- The wind huffs and puffs blows the leaves off the trees. Can you find the other three baubles? (One is hiding in a tree, one on a leaf and one is flying through the air with the feathers).

Talking about this picture based on Clarabelle's Scarf provides lots of opportunities for children to hear and practise saying words with 'f'.
