

Can you help Flo find all the Christmas bells?

Talking about this picture based on Flo the Flamingo provides lots of opportunities for children to hear and practise saying words with 'ng'.

Flo the flamingo is having a birthday party with her friends.

All the flamingos are dancing, swaying and swinging and swinging and swaying! And fluttering their pink feathered wings!

Can you see Flo the flamingo?

- Flo is wearing long dangly earrings that dingle and dangle and ding-a-ling-ling.
- Flo is wearing bright blue stockings with silvery spangles and bracelets and bangles that jingle and jangle.
- Flo is wearing little gold rings on her long pink toes with little gold bells that ring-a-ding-ding.

There are 10 pairs of jingling Christmas bells hiding in this picture – can you find them?

- Can you see Flo's Christmas bells?
- Can you see bells on the dancing flamingos?
- Can you see bells hanging from the string of twinkling fairy lights? Look at all
- Can you see the presents – I wonder how many presents there are ...? Can you see some bells?

This activity links to action packed rhyme **Ring those Bells**.
