

Ring those Bells

Sing to the tune of Jimmy Crack Corn

Practise the actions first before you try to combine them with the words.
Younger children will find it difficult to co-ordinate the words with the actions.

Ring those bells and turn around
Ring those bells and turn around
Ring those bells and turn around
Christmas time is here

Ring those bells and stomp your feet
Ring those bells and stomp your feet
Ring those bells and stomp your feet
Christmas time is here

Ring those bells and jump up high
Ring those bells and jump up high
Ring those bells and jump up high
Christmas time is here.

Ring those bells and touch your toes
Ring those bells and touch your toes
Ring those bells and touch your toes
Christmas time is here.

Wrist bells
can add
some extra
jingling fun!
